ABOUT US

WHO WE ARE

Shree Kamal Nayan Frozen Food LLP is a trusted manufacturer of premium frozen fruits, vegetables and ready-to-eat products. With a strong commitment to quality, hygiene and freshness, we bring you nature's best — frozen at the right time to preserve nutrition, taste and goodness.

OUR VISION

To be a globally trusted brand known for delivering high-quality frozen foods that promote a healthy and convenient lifestyle.

OUR MISSION

To provide safe, nutritious and delicious frozen food products through advanced technology, stringent quality control and a customer-first approach.

WHY CHOOSE US?

FROZEN AT PEAK

Locked-in freshness and natural nutrients.

100% NATURAL

No preservatives, no artificial additives.

PREMIUM QUALITY

Carefully selected raw materials and strict quality checks.

CONVENIENT & EASY

Ready to cook options that save time and effort.

CUSTOMER TRUST

Built on purity, consistency and long-term relationships.

GOODNESS OF NATURE, CARE OF TECHNOLOGY

From farm to freezer, we ensure every product retains its natural taste, richness and freshness — bringing health and happiness to every home.

TECHNOLOGY & PRODUCTION

श्री KamalNayan
FROZEN FRUITS

Goodness Served Frozen

Innovation in every step.
Hygiene in every process.
Goodness in every bite.

OUR APPROACH

At KamalNayan Frozen Fruits, technology and care go hand in hand. From farm to freezer, we follow advanced processes and strict quality systems to lock in natural freshness, taste and nutrition in every fruit we deliver.

ADVANCED TECHNOLOGY

Latest IQF technology preserves the natural taste, color, texture and nutrients.

STRICT HYGIENE STANDARDS

Clean environment, regular sanitation and quality checks ensure 100% food safety.

FARM FRESH GOODNESS

Carefully sourced from trusted farms to bring you the best quality fruits, all year round.

EFFICIENT PRODUCTION

Automated lines and skilled professionals ensure consistent quality with timely delivery.

CAREFUL SELECTION

Only the best, ripe and healthy fruits are selected.

THOROUGH WASHING

Multi-stage washing removes impurities and ensures purity.

ADVANCED PROCESSING

Precision cutting, pulping and grading for perfect portions.

QUICK FREEZING

IQF freezing locks in freshness, taste and natural goodness.

OUR INFRASTRUCTURE

IQF TECHNOLOGY

Quick Freezing for maximum freshness

MODERN PROCESSING UNIT

State-of-the-art machines for hygienic production

SKILLED WORKFORCE

Trained experts ensuring quality at every stage

QUALITY ASSURANCE

Strict testing and monitoring for best quality

COLD CHAIN & STORAGE

Temperature-controlled storage for perfect freshness

GOODNESS OF NATURE, CARE OF TECHNOLOGY

From farm to freezer, we deliver nature's best – fresh, safe and full of goodness.
